KICK-OFF MEETING IN PARIS, FR

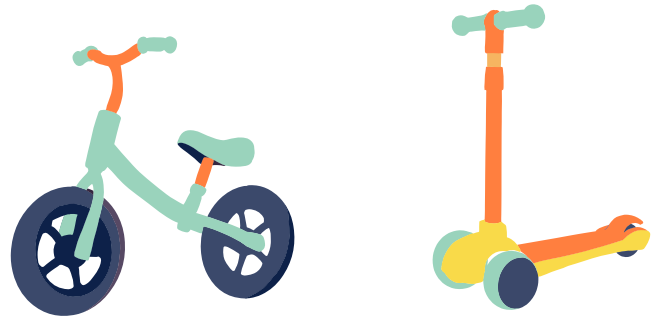

On 7-8 March 2024 the kick-off meeting of our E-Green project took place in Paris (France). It was a crucial step in our journey towards collaboration and excellence.

During this long-awaited gathering, we had the honor of having representatives from all partner organisations. We heard each partner share their vision and commitment to the project. From outlining goals and objectives to discussing project details, they all reflected the passion and dedication.

One of the highlights of the meeting was the opportunity for each organisation to outline the part of the project they are responsible for. This discussion allowed us to better understand how each individual contributions complement and connect to achieve an extraordinary collective outcome.

THE FOLLOWING MEETING

It was also agreed that the next meeting will take place on 16-17 september 2024 in the city of Dublin (Ireland).

We look forward to continuing our collaboration and advancing in this exciting journey together.
